Our *highly skilled and professional workforce*  
is dedicated to satisfying  
your individual need

SAI Home Products, Inc. is a Company built on a heritage of bringing innovative and stylish consumer goods to the world market for over 40 years.

In 2009 SAI Home Products was pleased to become the exclusive licensee of the Westinghouse Trademark for all Kitchen, Floor Care and Garment Care electrical appliances for the North American markets of USA, Canada, and Mexico. We are committed to building on the legacy and tradition of the Westinghouse Brand with new and exciting consumer products that combine high-end design with problem solving features and function for today's busy but discerning consumer who will continue to believe that "You can be sure.....if it's Westinghouse".

In addition to the Westinghouse Brand, SAI Home Products develops and markets Home Care appliances under the Evove Trademark. These products focus on improving the home environment with cutting-edge technology and sophisticated styling.

As a fully integrated manufacturer and marketer, our mission is to continue to bring innovative and stylish products to our customers that provide great value while reinforcing our core commitment to high-end design, cutting-edge technology and superior product quality and customer service.

Westinghouse

As the exclusive North American Westinghouse Licensee for Kitchen, Floor and Garment Care appliances, we are dedicated to developing and marketing products that combine high-end design, innovative features and functionality for today's busy but discerning consumer. We are committed, not only to outstanding engineered and designed product, but to providing our customers great value.

*Let us simplify your life and make your house a home, a Westinghouse home.  
You can be sure.... if it's Westinghouse.*

EVOVE

EVOVE symbolizes home care products designed to improve the quality of life in the home thru cutting-edge technology with sophisticated styling.

*Let us improve the quality of your life with our EVOVE products  
.....for now and the future!*

Drip Coffee	Espresso	Unit in inch	

- Swing-out, removable filter basket for drip coffee
- Warming plate keeps coffee hot with pre-programmed (2 hour) auto shut-off function
- Two manual switches with indicators to separately control two brewing systems for dripping coffee and espresso
- Detachable water reservoir

### SA26133 3-in-1 Coffee Maker

1.8L 1.2L 600L	700W	800W	11.8L 1.8L 12.8L
Drip Coffee	Espresso	Unit in inch	

- Swing-out, removable filter basket for easy cleaning
- Warming plate keeps coffee hot
- Two manual switches with indicators to separately control two brewing systems for dripping coffee and espresso

### SA21950 CTChef™ Multi Cooker

- Multi-cooking functions in 1 appliance:  
Steam • Slow Cook • Bake • Stew • Braise • Sauté • Rice Cook • Boil • Reheat • Keep Warm
- 3-way heating system with thermostatic control
- Fully programmable with Automatic functions and user adjustable capability
- 24-hr preset digital timer with countdown function
- Automatic keep warm function for up to 2 hours
- Electronic control with super large LCD display
- Removable large 4.2 Quart (4 liter) non-stick coated aluminium cooking pot
- Removable steam valve and insulated top panel for easy cleaning
- Hinged lid with locking system
- Detachable cord
- Built in carrying handle
- Including spatula, ladle, spatula hook, steam rack and measuring cup

### SA66915 Tritic CSV Oven

- Combines traditional radiant, hot air convection and high temperature controlled steam vapor cooking technologies into one countertop appliance
- Multi-function: Proofing (Yeast Dough Rising), Defrost, Grill, Braise, Bake, Combo Bake/Braise, Toast, Pizza and Rotisserie
- Adjustable temperature from 105°F - 465°F (40°C - 240°C) with controlled steam vapor
- Convection hot air circulation
- Electronic controls with blue LED display
- 60 minute digital timer with auto shut off and buzzer
- 6 quick easy accessible cooking functions
- 10 preprogrammed cooking menus
- 2 built-in semi-auto cleaning programs
- Selectable wet or dry steam
- Automatic pre-heat feature
- Full view double glass door with interior light
- Declined cavity floor design
- Lift-up lower element design for easy cleaning
- Stainless steel interior
- Cool touch handle
- No and low water alert system
- Removable water tank with 13.52 oz (400ml) capacity

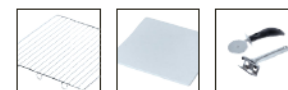

### KOT-008 Pizza Tools kit

The Westinghouse Pizza Tools Kit is a selection of tools to meet the needs of a novice or a seasoned pizza maker. This kit set is an ideal companion for the Westinghouse Tritic CSV oven and Pizza Express.

The Kit includes:

- Stainless steel pizza cutter
- Stainless steel pizza server
- 10" X 10" wooden pizza peel

### SA66911 Pizza Express Oven

- 19 Quart (18 Liter) cooking capacity
- Adjustable temperature from 212°F - 482°F (100°C - 250°C)
- Stainless quartz tube heating elements to ensure perfect pizza baking
- Can be used as a toaster oven
- 60 minutes mechanical timer automatically signals end of cycle
- Keep warm function
- Power indicator light
- Stainless steel housing
- Pull down window door with built-in rack carrier
- Slide out crumb tray
- Chrome plated wire rack
- Including pizza stone, pizza cutter and wire rack handler

**SA40130**  
Searing Grill & Griddle

Rating: 120V 60Hz  
Wattage: 1500W  
N: 12.8  
D: 14.0

ULN 6 inch

- Independent 2 or 4 slices operation
- Ultra wide slot 1.5" (38mm) with self-adjusting bread guides
- Variable electronic browning control
- Defrost, reheat and bagel functions with indicators
- Mid cycle cancel function
- Automatic pop-up
- Hi-rise feature
- Slide out crumb tray
- Anti-jamming mechanism
- Deluxe stainless steel exterior with die-cast end panel

### SA23180 Turbo Fusion Blender

Rating: 120V 60Hz  
Voltage: 600W  
No. 7.55  
Wt. 6.35  
Ht. 13.35  
Unit: inch

- 600-Watt high performance motor can mix, chop or liquefy a variety of foods
- Transparent shatterproof jar with locked lid cover
- 1.58 Quart (1.5 Liter) blending capacity
- Simple on/off operation with momentary pulse
- Multi-purpose serrated chopping blade
- Patented cooling system
- Built-in safety micro-switch
- Self-resetting overload protection
- Integrated cord storage chamber
- Non-slip oil-resistant suction feet
- All parts are dishwasher safe (except motor base)

### SA23110 Mini Chopper

Rating: 120V 60Hz  
Voltage: 200W  
No. 7.55  
Wt. 4.55  
Ht. 8.14  
Unit: inch

- One touch trigger switch: press to start release to stop
- Powerful 200-watt motor with specially designed blade for every task
- 17 ounce (500ml) transparent bowl with integral handle
- Detachable lid with safety locking mechanism
- Including 2 stainless steel blades
- With soft lid for fridge storage
- Non-slip feet

### SA23950 Turbo Hand Blender

Rating: 120V 60Hz  
Voltage: 350W  
No. 3.55  
Wt. 3.55  
Ht. 14.55  
Unit: inch

- Powerful 350-Watt low noise DC motor
- Soft-touch rubber switches (On/Off & Turbo control)
- 15 Levels speed control
- Extra long stainless steel shaft with stainless steel blade
- Stainless steel whisk attachment
- Comfort grip handle with stainless steel panel
- 28 oz (800 ml) measuring cup with lid
- Vegetable processor for chopping, slicing and shredding
- Wall mount bracket with hardware

### SA61950 Stand Mixer

Rating: 120V 60Hz  
Voltage: 450W  
No. 13.65  
Wt. 11.35  
Ht. 12.35  
Unit: inch

- Powerful 450-Watt motor for heavy duty
- Planetary action
- 4 speeds setting with pulse control
- Twisted head with locking mechanism
- Large 3.5 quart (3.3 Liter) stainless steel bowl
- Including stainless steel whisk, flat paddle and dough hook
- Transparent splashguard with flour feeder
- Suction feet to keep the mixer stably on the counter while running
- Black with silver stylish finishing
